

French 2

Question Notes

1. After reviewing your question words on page 21 of your textbook, close the book.
2. Translate the question word from column #1 in English in column #2.
3. Check your answers with the textbook. Make any changes necessary.
4. Fold back column #1 so that all you can see is the English in column #2. Try to translate the word back into French.
5. Check your answers with column #1. Make any corrections.
6. Fold back columns #1 and 2, and try to translate from the French in column #3 to English in column #4.
7. Check your answers and make any corrections.
